

BENJAMIN MICHAEL BOLKER

314 Hamilton Hall
Departments of Mathematics & Statistics
and Biology
McMaster University
Hamilton, Ontario, Canada

bolker@mcmaster.ca
<http://www.math.mcmaster.ca/bolker>

Date generated: February 12, 2023

Education

B.S., Physics and Mathematics (*summa cum laude*), Yale University, Jan. 1990.

Ph.D., Zoology, Cambridge University, Nov. 1993. Dissertation: *Population Dynamics of Measles Epidemics in Developed Countries*. Supervisor: Dr. Bryan Grenfell

Employment

Professor 7/2010–present
Department of Mathematics & Statistics and Department of Biology, McMaster University.

Associate Professor 9/2005–6/2010
Assistant Professor 8/1999–8/2005
Department of Zoology (Biology), University of Florida.

Research Associate 10/93–8/99
Department of Ecology and Evolutionary Biology, Princeton University.

Grant funding (since 2016)

CANMOD: CANadian Network for MODelling infectious Disease. NSERC Emerging Infectious Diseases Modelling Initiative. Co-applicant. Full grant (David J. D. Earn, Caroline Colijn, co-PIs): 1/Aug/2021 – 31/Mar/2026. Subcontract to BMB/McMaster: \$70,000, 1/Aug/2021 – 31/Mar/2023.

Connecting theory with data in host-parasite evolution. NSERC. 1/Apr/2016 – 30/Mar/2023, \$215,000.

Collaborative Research: Linking predator functional diversity to prey dynamics through the functional response. NSF. 1/Sep/2016 - 31/Aug/2019. \$314,475.00. Collaborator. Co-PIs: James Vonesh, Michael McCoy, Jeremy Wojdak.

Professional service

Associate editor of *American Naturalist*.

Manuscript reviewer (including *Ecology*, *Ecology Letters*, *Nature*, *PNAS*, *Proc Roy Soc B*, *Science*), grants, books; grant panelist for NSF, Finnish Academy of Sciences.

Students

Current students: (Master's) Jennifer Freeman, Jason Pecos Cole. (PhD) Michael Agronah, Greg Forkutza.

Former Ph.D. students: (UF) John Poulsen, Toshinori Okuyama, Greg Babbitt (co-chair), Claudia Romero (co-chair), Jada-Simone White (co-chair), Zy Biesinger (co-chair), Swati DebRoy (co-chair), Mollie Brooks. (McMaster) Morgan Kain, Michael Li.

Former Master's students: Vivek Thampi, Evan Mitchell, Keya Biswas, Michael Richard, Michael Li, Ahsan Bhatti, Martin Stelmach, Kala Studens

Articles published in peer-reviewed journals (since 2017)
